CLOSING REMARKS

Honorees

THE TUCKER FAMILY

Stephanie and Brad Tucker, along with their sons Sam, Frank, and Ben, and their daughter-in-law Amanda, are proud to continue the Tucker family's long history of supporting Houston area charitable organizations including the Houston Livestock Show and Rodeo, Texas Children's Hospital, Holly Hall, and The Brookwood Community both personally and through their company, Mustang Cat.

When Frank joined Brookwood as a Day Citizen in 2010, Stephanie and Brad became active in numerous leadership positions, including chairing the 2016 Benefit Lunch, sponsoring teams for the annual Golf Benefit, and leading the successful *Brookwood and Beyond* Capital Campaign which raised more than \$34 million for Brookwood. In addition, Stephanie has served as the President of the Brookwood Volunteer Association and Brad currently serves as the Chairman of the Board of Directors, while Sam and Ben are helping to launch a Young Professionals group for Brookwood.

The Tuckers will leave a lasting legacy at Brookwood when the newest Citizen residence, the Tucker Home, opens its doors to 12 Citizens, including Frank, later this year.

2019 CO-CHAIRS

Since its founding in 1952, Mustang Cat has supported numerous construction projects that have shaped the footprint of Houston such as the Houston Astrodome, Beltway 8 and the downtown skyline. In addition to paving roadways and highways, Mustang's power systems division generates power for numerous facilities throughout the Houston area including hospitals, education facilities, municipalities, and commercial businesses.

Throughout its 70-year history, four generations of the Tucker Family have focused on servant leadership. They believe in giving back through monetary, in-kind service and product donations. Mustang Cat is proud to partner with charitable organizations including Houston Livestock Show & Rodeo, Coastal Conservation Association of Texas, Texas Children's Hospital, and The Brookwood Community. Brookwood is the beneficiary of Mustang Cat's "Special Teams for Special Needs" promotion with the Houston Texans and Texas A&M sports programs.

CHANGING THE WAY THE WORLD THINKS ABOUT ADULTS WITH DISABILITIES

For more than 35 years, the Brookwood Community has provided opportunities for hundreds of adults with disabilities to live fulfilling lives with genuine purpose. In 1985, Brookwood opened its doors to ten Citizens. Today, 112 Citizens live at Brookwood and another 135 Citizens participate in our day programs.

Each year, Citizens use their unique gifts, talents and abilities to create 25,000 pieces of wonderful ceramic and stonecast products; plant and nurture 150,000 plants including 50,000 beautiful poinsettias, and joyfully serve over 20,000 Café guests.

WE ARE GRATEFUL FOR YOUR SUPPORT

This is a unique and challenging time for The Brookwood Community. In a typical year, about 40% of our annual operating income is generated by sales in our Café, Retail and Horticulture Enterprises. However, due to Covid-19 restrictions and Winter Storm Uri, revenue from our café, retail stores, and horticulture have been significantly impacted.

Your support is important this year more than ever! Your generous contribution to the No-Go Gala is an investment in the lives of the Citizens of the Brookwood Community, and donations made between April 14 and April 30 will be matched up to \$25,000!

Your donation gives opportunities for Brookwood Citizens to learn and work, to experience social and spiritual fellowship, and to lead fulfilling and productive lives. Brookwood Citizens accomplish great things each and every day!

We invite you to take a tour of our campus, dine at the Brookwood Café, and shop at our Gift & Garden Center at 1502 FM 1489 in Brookshire or our store at 7227 W Grand Parkway in Richmond. Our Citizens look forward to welcoming you to their community.

**AS THE CITIZENS SAY, "THANK YOU! THANK YOU! THANK YOU!"
FOR YOUR FAITHFUL AND GENEROUS SUPPORT!**

Thank you TO OUR GENEROUS DONORS!
